THE VISION

When I was a pastor there was a man in our church who was a dyed in the wool social activist! I mean, when the city council met and this man was there, they knew that they had better 'straighten up and fly right' or they were going to have this man on his feet and at the podium challenging them. His name was Art ~ Art Speer. Not a big imposing guy. In fact, he was kind of frail. But his heart was huge and his compassion for the poor and marginal people of our city was genuinely Christ like.

He not only helped the city council fly right, Art helped me, his pastor, to stay up to speed as to what was going on in our city that involved social justice issues. I don't mean to brag, but we almost harmonized as well as Simon and Garfunkel.

Oh, there is one more thing I should tell you ~ 'Art was blind' ~He was born with sight but had been blind for 25 years.

One day when we were together sitting in Art's living room, I asked him, "Art, do you ever pray for sight ... to see again?" His answer was very humbling, "No, Kimball, I don't pray for sight ~ I pray for *VISION*."

Remembering Art, I will be praying and preaching for Vision. This year as I travel among your churches, God's message to you through me will be "***The Vision.***" I will continue to preach "***Don't Let The Fire Go Out!***" for the churches who need that spark of renewal. After the fire is rekindled and flaming we must move on to transforming the world ~ understanding God's Vision. The Vision is not as much something we see as it is something we are.

I look forward to worshipping with you and preaching for you God's message.

A Summer's Note from the KBC Board of Directors:

We, like many folks, are looking forward to some special time with our families this summer ~ a bit of rest and time to reflect of the goodness God gives us. We will use it well, as we remember those who have no vacations, or family with whom to share God's goodness. ~ We will prayerfully remember those whose needs are many.
