Thank you for your gifts of prayers and encouragement, as well as your financial gifts, that gives Kimball courage to risk, and helps him to dare to dream and hope as he travels the road of evangelism in the prophetic spirit. It is humbling to receive your gifts when the needs are so great in today's world. They are never taken for granted and used with thankful hearts. God bless you all.

A VERY MERRY THANK YOU!

We are in the early days of Advent and your cards and letters from far and near are beginning to arrive. We love this time of the year to visit with your once again and feel your joy and hear of your stories of the past year. There have been births, illnesses and deaths in families we have come to love. We hold you in our thoughts and prayers, especially at this time of the year.

We humbly thank you for your many expressions of love, not just in this season but throughout the years. You richly bless our lives.

Agape at Christmas,

Kimball and Pam

As you plan for Christmas gifts may we suggest the gift to others though your church's

Alternative Giving

programs.....Habitat For Humanity, Heifer Project, UMCOR, Church World Service, UNICEF, Third World Hand Arts, local church food pantries, homeless and marginal peoples needs, etc. It is a wonderful way to honor a loved one, while being a light in the world helping God's less fortunate children.
